

Boys Hope Girls Hope

St. Louis

From left to right: Gilliette, Lilly, DJ, Terrell (Ben). Not pictured: Daphne, Maurice

We said "See you later" to Kam, Karl, and Gehaan as they headed off to college this fall and "Hello" to six new scholars and one Bearded Dragon! Terrell, Maurice, and DJ have moved into the Boys House, and Gilliette, Lily, and Daphne are settling into the Girls House. Ben the Bearded Dragon came along in his glass terrarium for the BHGHSTL adventure with Maurice. Ben is a big hit in the Boys House with the scholars and staff!

We are so excited to get to know the new scholars better and can't wait to share their stories with you!
