What your sponsorship supports

You can support our work with scholars and collegians at a specific Boys Hope Girls Hope affiliate of your choice, or the Boys Hope Girls Hope Network. The young people who empower themselves through Boys Hope Girls Hope from adolescence all the way to landing a job in the field of their dreams have tremendous ability but face disproportionate barriers to achieving their goals and realizing their potential. Your donation to Walk to Hope supports Boys Hope Girls Hope's efforts to provide environments of belonging, college and career prep, life skills, scholarships, mental health care, mentors, and pathways to internships, even a place to live if that's what is needed.

How it works

Boys Hope Girls Hope is partnering with Charity Footprints to host the virtual event. Just download the app and connect your Fitbit, Apple Watch, Garmin, Misfit, Strava, or Android wearables to track your steps.

Where and when?

Walk to Hope takes place where you are—your home, your neighborhood! All walkers and teams will be connected through the Charity Footprints app. Registration and fundraising for walkers begins on January 2, 2023. We start counting miles April 1-30, 2023.

VIRTUAL FINISH LINE CELEBRATION!

All sponsors will also be recognized IN the Walk to Hope Virtual Finish Line Celebration video launched on May 11.
